### CERTIFICATIONS

---

- **Programming using Java - In Infosys Springboard** [🔗](#)
- **The complete Java Certification Course by Job Ready Programmer - In Udemy** [🔗](#)
- **Java Programming - In Great Learning** [🔗](#)

### ACHIEVEMENTS

---

- We were 4 students working in a team during our final semester project. Due to some reasons, the project was getting delayed.
- We took the initiative and ensured all the team members were working and the submission was on time. We were the first team to submit the project on our batch and submitted it 34 days before the due date.

### EDUCATION

---

V.S.B ENGINEERING COLLEGE, KARUR — B.E - ECE (8.04 GPA)
